At Augusta all students wear the uniform during their entire residence at the Academy. Since this replaces the cost of buying new civilian clothes, it should not be considered as an additional school expense.

The uniform deposit is based on the average and can not be taken as final. Please note that the Uniform Deposit, and all fees are required on entrance. All checks should be made payable to the Augusta Military Academy, and all checks should be mailed to the Academy. Under no circumstances should a check be sent to a student for delivery to the finance office.

Statements are sent to each parent in January and on or about 15 June. Any unused portion of the uniform deposit will be credited to the student's account.

A reduction of \$100 for the sons of ministers and members of the Armed Forces and a \$125 reduction for brothers is made by the school.

Day Student Tuition and Fees

Day student tuition is \$600 (The tuition includes lunches). Uniform cost generally does not exceed \$250. An additional fee of \$150 is required on entrance.

Important Information

Upon request, information concerning a monthly payment plan will be sent.

If, under any of the above mentioned methods of payment, the account is behind 60 days, the parent will be requested to withdraw the student. No transcripts are forwarded until accounts are settled in full.

The parent must realize that the application and contract for tuition and fees is for the entire school year and that he is responsible for the entire tuition and fees for the entire school year, even if the student is dismissed or withdrawn.

Under no circumstances will the diploma and/or credit for work done at Augusta be given to any student until his account with the Academy is settled in full. A \$15 diploma fee is required of graduating seniors.

Supplies

Students must be supplied with the articles listed below. They should be purchased at home and brought with him to school. Supplies also may be purchased in Staunton, Va.

We request that shoes be purchased at the school for the purpose of uniformity. A factory representative will be at the Academy during registration for the proper fitting of shoes.
